AMENDMENT

This Amendment is being submitted in response to the Office Action mailed on September 27, 2001, in connection with the above-identified application. Also enclosed herewith is a Petition for a Three Month Extension of Time and a check in the amount of \$920.00.

IN THE SPECIFICATION

Please delete pages 87-92 and replace them with enclosed new pages 87-92.

REMARKS

Reconsideration of the above-identified application in view of the above amendments and following arguments is respectfully submitted.

The Office Action indicated that a copy of the "Sequence Listing" in computer readable form had not been submitted as required by 37 C.F.R. Section 1.821(e). Applicants herewith submit a revised copy of the "Sequence Listing" in both paper and computer readable forms. Applicants have corrected three (3) errors in the Sequence Listing. Specifically, at nucleotides 196-197 and 727-728, an accidental inversion of the nucleotides "cg" occurred in the paper copy of the Sequence Listing. Specifically, nucleotides 196-197 and 727-728 read "cg" instead of "gc". Also, at nucleotides 807-809, Applicants deleted an extra "tca" which was contained within the nucleotide sequence. All three of these errors have been corrected in the enclosed paper and
